

TEACHER TRAINING

DEVELOPING TEACHERS

Who is it for?

This course is aimed at language teachers at all levels of knowledge and experience. Furthermore, because the course content focuses on improving core teaching skills and developing best practice in the classroom teachers from different backgrounds can all benefit, whether you mainly teach large groups of children, or adults in a 121 situation.

The course is delivered in English.

What are the aims

To develop you as a teacher, through reflecting on your teaching practice, learning some new techniques and methods, and getting some practical ideas for the language classroom.

How is the course set up?

The Developing Teachers course is divided into 4 modules - Setting Off, Breaking Through, Moving On & Stepping Up - which means that

whatever your experience and background there is a course for you. In addition the course is planned in such a way that it can be adjusted to suit the needs of the participants. Therefore, before every course we send out a questionnaire to find out more about the participants and the kind of support they want.

Why should I do a course like this?

As teachers we believe that learning is a vital part of life, that when we commit to do something we should aim to do it to the best of our ability and not be afraid to change, adjust and develop.

Certificate

After successfully completing the course participants will receive a certificate.

Accreditation

The course is accredited by the Czech Ministry of Education.
