NEW!

Lunch at Jedna Basen

This year we have partnered with one of Brno's best restaurants to give you a lunchtime experience that no other conference can match. The chef at Jedna Basen has come up with a choice of dishes to leave you as satisfied with your lunch as you are with our sessions.

ELT Clinic

And to give you even more lunchtime nourishment, you will get to sit with the speakers and have the chance to chat with them and ask about anything connected to English Language Teaching (ELT) in our ELT clinic.

Lunch will never be the same again!
