

THE YOUNG ONES

a conference
for language teachers
of kids, teens and young adults

SATURDAY, October 13th 2018

This conference we have a new timetable

Every conference we ask for feedback and every year we listen. You told us that you love the presenters and their sessions so much you hate having to choose between them. There is always one session you really want to see but can't. Not anymore :-)

Sessions from our key speakers will be done twice!

They will repeat their sessions, once in the morning and once in the afternoon. Meaning you don't have to miss out.

And who are these key speakers?

The hugely popular and brilliant **Kylie Malinowska** and **Ben Herbert** are coming down from Prague. Our fantastic friend **Anette Igel** joins us from Germany, alongside local stars **Kristyna Urbankova** and **Sarka Cox**.

Lunch at Jedna Basen, refreshments and a certificate (the conference is accredited by the Czech Ministry of Education) are part of the entry fee.
