Dream, Discuss, Do Conference 2024

	Roll a dice and answer the question
	Where would you like to spend your holiday?
	Who would you like to meet?
	Who is the person you admire the most?
	What time of the day do you like most?
	What would you like to be able to do?
	Which school subject do you consider the least useful?

START	Without doubt ...	I'm sure	Everyone knows that ...
			First of all ...
I really feel that ...	I must admit that ...	In my opinion ...	Clearly ...
There's no doubt that ...			
I'm sorry to say that ...	You must agree that ...	Of course ...	The fact is ...
			Surely ...
On the one hand, ...	Basically, ...	You cannot deny that ...	I'm convinced that ...
I believe that...			
On the other hand, ...	Moreover,	On the contrary, ...	For instance ...
			In this case ...
Many people believe that ...	Don't you think that ...	Despite the fact that ...	To begin with ...
By the way ...			
In addition ...	To sum up ...	As a result ...	FINISH

- What's in My Head?

MY THOUGHTS

I HAVE MANY THOUGHTS, BECAUSE I HAVE
A BIG BRAIN :)

Some THOUGHTS are positive, some are negative.

For example: I don't believe in God,
I don't believe in Devil,
I don't believe in Fate.

I doubt about intelligence of some people, I doubt
about drugs and drug addicts, about UFO, about
vampires and...

I think, that life is beautiful, because I can dance,
I can smile, I have my parents and friends, I can
study and so on. I love my life!

But I don't love death,
but the death isn't bad, it's only law,
that is valid for all.
